

CleanEquity Monaco 2011, March 3rd & 4th – Exceptional Presenting Companies

CleanEquity Monaco, the forum for emerging cleantech companies to present to specialist financial & strategic investors, policy makers, end-users and international trade & technical media is happy to announce a full complement of exceptional companies.

Mungo Park, Chairman of London based specialist investment bank, Innovator Capital, said:

“Year on year the goal is to improve the quality of all aspects of CleanEquity Monaco. This year we have an exceptional list of Presenting and Next Wave Companies, many with disruptive technologies; in fact all disciplines are well represented. We are grateful to all our collaborators for their contribution.”

This year’s Presenting Companies will include:
