

## The Nobel Sustainability Trust Joins Forces With CleanEquity Monaco

**Zürich, 1<sup>st</sup> February 2012.** The Nobel Sustainability Trust announced today that it will co-host CleanEquity Monaco 2012, the established emerging cleantech event, alongside Innovator Capital and the Principality of Monaco.

The Nobel Sustainability Trust is a Nobel family initiative taken by visionaries and global socially responsible Nobel family members, to encourage the research, development, commercialisation and implementation of products and procedures within the field of renewable and sustainable energy.

The Nobel Sustainability Trust's involvement with CleanEquity is a strategic and important step in this initiative.

Gustaf Nobel, Chairman of the Nobel Sustainability Trust, commented: "It is crucial to provide cleantech innovation with optimal environments in terms of financing, expertise and a network to ensure market reach. CleanEquity has proven to be a successful conference showcasing outstanding early stage sustainable technologies. It is an essential part of our vision that we assist, in any way possible, those that have solutions with global sustainability relevance".

Mungo Park, Chairman of Innovator Capital, added: "We welcome the Nobel Sustainability Trust's involvement with the search for tomorrow's clean technologies and consider it an honour and a privilege to be working with Gustaf and the other members of this extraordinarily accomplished family."
