

## CleanEquity® Monaco 2016 – Announcing Keynote, Collaborations & Companies

[CleanEquity Monaco](#), 3<sup>rd</sup> & 4<sup>th</sup> March, is the preeminent global forum for 30 best in class emerging cleantech and resource efficiency companies to meet specialist financial investors, corporate venturers, partners & acquirers, policy makers, end users and media.

Innovator Capital is pleased to announce that the CleanEquity Monaco 2016 Keynote Speaker will be Steve Lewis, CEO & Founder of Living PlanIT. Steve will share with the conference his vision of the future of design, construction and citizen experience of buildings and cities.

Living PlanIT has created the world's first Urban Operating System (UOS) which, in combination with the products it supports, unlocks the full potential of data to make cities better, safer and more vibrant places to live.

Innovator announces also its new CleanEquity collaboration with Deloitte.

Richard Lloyd-Owen, Senior Partner, Deloitte said:

*“Deloitte is delighted to be involved in the CleanEquity conference for the first time this year.*

*Clean, sustainable and cost-efficient technological solutions are at the forefront of the corporate sector’s innovation agenda. The CleanEquity conference brings together some of the most promising and disruptive companies that are at the cutting edge of delivering such solutions. Deloitte offers a wide range of professional services that could accelerate the growth of such companies. We also have unparalleled accesses to some of the most influential global companies, who could be partners, adopters or investors in these new technologies and services.*

*We will be working closely with Innovator Capital to introduce these exciting and disruptive companies to our corporate clients. We are well recognised in the market for taking an innovative approach to solving the most complex problems of our clients.”*

Mungo Park, Chairman of Innovator Capital said: *“We too are delighted with this news. There is no doubt that Deloitte is a global force and award winning Living PlanIT is already being described by experts as a global force too. These are exciting developments for us and CleanEquity Monaco.”*
