

CleanEquity® Monaco Partners with Porter Novelli UK

CleanEquity Monaco, hosted by Innovator Capital, is pleased to announce a collaboration with Porter Novelli UK, an Omnicom Group company and one of the world's leading public relations agencies. Porter Novelli UK delivers best in class communications services to companies of all sizes, from start-ups to global industry leaders.

Mungo Park, Chairman of Innovator Capital commented:

"We are delighted with this news. Porter Novelli will provide the conference and more importantly, the emerging technology companies attending the conference, with a clear understanding of how essential corporate communications advice is to business success."

James Chandler, Director & Head of Corporate, Porter Novelli UK said:

"We are delighted to be involved with such a prestigious, world class event for the cleantech industry. CleanEquity Monaco provides a platform for high calibre emerging cleantech companies to present their innovative technologies, while also learning from key advisors on how to springboard to the next stage of development. As a communications firm, we have seen first-hand how clear messaging and the right profile is integral to a fast-growing company's development, particularly its ability to get the attention of key stakeholders and investors, which is why we are proud to be partnering with CleanEquity Monaco 2015."
